1 MAYOR JOHNNY ISBELL,  
2 having been first duly sworn, testified as follows:

3  
4 EXAMINATION

5 BY MS. PERALES:

6 Q. Good morning.

7 A. Good morning.

8 Q. My name is Nina Perales. I represent the  
9 plaintiffs in this case.

10 Please state your name for the record.

11 A. Johnny Isbell.

12 Q. Have you ever had your deposition taken before  
13 today?

14 A. Yes.

15 Q. Okay. Tell me when that was, or tell me about  
16 the most recent deposition you gave.

17 A. I don't remember. You know, we get sued every  
18 time somebody runs a red light and has a wreck. I can't  
19 remember the last time. Not -- not a lot.

20 Q. But you do remember being in a room with a  
21 court reporter and answering questions?

22 A. Yes. Yeah.

23 Q. Okay. Well, since it's been awhile, I'm going  
24 to go over some of the rules of the road with you.

25 I want to remind you that you're under

1 going to ask you about.

2 A. Okay.

3 Q. If we turn to Page 14316.

4 A. Okay.

5 Q. Look on the next page, 14317.

6 A. Okay.

7 Q. Do you see a contribution there from the Johnny  
8 Isbell campaign account for \$23,000?

9 A. Yes.

10 Q. And then I believe on the following page, which  
11 is Bates 14318, we can find your contribution from the  
12 Johnny Isbell campaign account in the amount of \$7,500?

13 A. Yes.

14 Q. And if we go back to the second page of the  
15 report, Pasadena Bates 14312, is it fair to say that in  
16 Box 5, where it talks about the political contributions  
17 maintained as of the last day of the reporting period,  
18 the account is empty? It has spent its funds?

19 A. That's what it says.

20 Q. Okay. Is it correct to say that all of the  
21 funding for Citizens to Keep Pasadena Strong, during the  
22 2013 multiple reporting cycle, came from you?

23 A. The vast majority, but there were other  
24 contributions, also.

25 Q. Okay. In 2013, I don't see any other

1 contributors.

2 A. Okay.

3 Q. Do you see any other contributors that are  
4 listed in this report?

5 A. No.

6 Q. Tell me, in your own words, what was your role  
7 in this political action committee, besides the funder?

8 A. The funder?

9 Q. Yes.

10 A. We would probably -- what did we do? Let's  
11 see. Probably consulting.

12 Q. Would it be correct to say that you directed  
13 the activities of the PAC?

14 A. I think that would have been Yates, maybe.

15 Q. All right. Who told Yates what to do?

16 A. It was probably a consensus between Yates and  
17 myself and maybe J.J.

18 Q. Okay.

19 A. My son.

20 Q. Did you inform Mr. Yates which candidates you  
21 would like to oppose through the PAC?

22 A. Probably so.

23 Q. Did you review and approve campaign materials,  
24 like mailers?

25 A. Yes.

1 Q. Next exhibit, 18, do you recognize this as a  
2 political mailer?

3 A. Yes.

4 Q. And does it say on the front, "Paid political  
5 ad, Citizens to Keep Pasadena Strong"?

6 A. Yes.

7 Q. And does it also say on the front, quote,  
8 Politician Don Harrison's record says no to helping  
9 Pasadena senior citizens?

10 A. Yes.

11 Q. And on the second page, does it make reference  
12 to Saturday, May 11th, "Say no to Don Harrison"?

13 A. Yes.

14 Q. Okay. Now, Exhibit 19, do you recognize this  
15 as a political mailer?

16 A. I don't have 19.

17 Q. What happened to 19? Maybe in your pile.

18 You're holding Deposition Exhibit No. 19.

19 Do you recognize that as a political mailer?

20 A. Yes.

21 Q. Does it say on the front, "Paid political ad,  
22 Citizens to Keep Pasadena Strong"?

23 A. Yes.

24 Q. And does it also say on the front, quote, Most  
25 citizens like their City-sponsored trash cans, but not

1 to run. So now we have an opposed race, yes?

2 A. Yes.

3 Q. Did you know anything about Cody Ray Wheeler  
4 when you first found out that he was going to run in  
5 District E?

6 A. No.

7 Q. He was a stranger to you?

8 A. Yes.

9 Q. What did you do to try to find out more about  
10 him?

11 A. I don't know that I did anything other than  
12 just ask around.

13 Are you saying did I run any kind of  
14 reports or --

15 Q. Yes.

16 A. No. No.

17 Q. But you may have asked around about him?

18 A. Well -- well, it was just word-of-mouth, I  
19 guess.

20 Q. So during the election, before election day,  
21 did you conclude that he was a resident of Houston while  
22 the campaign was going on?

23 A. No. We had heard he was. Don Harrison had  
24 been telling people, that got back to me, that they --  
25 whoever "they" was -- were laughing that they were

1 running Wheeler when he actually lived in Houston.

2 Q. Who are "they"?

3 A. I don't know. I guess, me or whoever was  
4 opposing Wheeler. I don't know.

5 Q. But you were saying that some group of people  
6 was said to be laughing because they were putting one  
7 over on the City by running Wheeler?

8 A. Yes.

9 Q. So who were those people that were putting one  
10 over on the City by running Wheeler?

11 A. Don Harrison was, I think, the leader of that  
12 group.

13 Q. I see.

14 Do you know if Don Harrison has a political  
15 action committee?

16 A. No. I don't know.

17 Q. Do you think of any individuals who are in  
18 cooperation with Don Harrison, politically?

19 A. I don't understand your question. I mean, he  
20 had his support of the district, obviously.

21 Q. Okay. Did he have political allies that would  
22 have worked with him to run Cody Ray Wheeler?

23 A. I don't know.

24 Q. So you had heard that Cody Ray Wheeler might  
25 not be a resident of that district.

1 Did you do anything with that information  
2 prior to election day, specifically about him not being  
3 a resident?

4 A. I don't know what we did. I don't know how to  
5 answer that.

6 I knew that he was claiming that Gilbert  
7 Pena's -- that he lived at Gilbert Pena's house, my  
8 opponent the previous election, and I knew the water  
9 hadn't been turned on, and I knew that the house was  
10 being remodeled.

11 It had been recently purchased by Gilbert  
12 Pena, and that Wheeler claimed that as his residence.  
13 And then I was told -- I read in their deposition --  
14 when Leroy sued Wheeler, I read in that deposition --  
15 because I still have a copy of it -- that Wheeler and  
16 Gilbert Pena got together in a discussion, and they said  
17 they need somebody to run against Leroy Stanley.

18 And Wheeler says in his deposition, "I wish  
19 I lived in the district. I'd run." And Gilbert Pena  
20 says, "Okay. Use my address."

21 Q. Okay.

22 A. And that's what we based a lot of this on,  
23 those court records.

24 Q. Did that deposition happen after the election?  
25 During the election contest?

1 A. After the election.

2 Q. Okay.

3 A. But it was rumored, very strong, during the  
4 election.

5 Q. Okay.

6 A. But I don't think -- I think Leroy made a  
7 mistake by not filing a complaint when they first filed.

8 Q. And so during the election campaign itself,  
9 besides the rumor that Cody Ray Wheeler might not be a  
10 resident of District E, did you have any other  
11 information about him that made you want to oppose his  
12 candidacy?

13 A. Other than, you know, that rumor, that really  
14 bothered me.

15 Q. And so in the election, Citizens to Keep  
16 Pasadena Strong does some mailers around Cody Ray  
17 Wheeler.

18 Do you remember that?

19 A. Yes.

20 Q. And that was something that you were -- you  
21 helped approve that, yes?

22 A. Probably I had some involvement. Yes.

23 Q. Was it a decision that you made to have  
24 Citizens to Keep Pasadena Strong take a position in  
25 opposition to Cody Ray Wheeler?

1           A. Probably. Yates and I talked about it.  
2 Discussed it.

3           Q. Does Yates live in Pasadena?

4           A. He goes to church here. I don't know where he  
5 lives.

6           Q. Does he go to your church?

7           A. No. No. I wished he did.

8           Q. He's a lovely man. We met him in court.

9           A. Smart guy. He did a lot of the state races, I  
10 think.

11          Q. And so tell me -- so you and Mr. Yates are  
12 talking about the 2013 municipal election, and what I'm  
13 trying to figure out is what job does Mr. Yates have in  
14 all this? What's his stake in --

15          A. Getting paid.

16          Q. Getting paid.

17                   So he gets paid by Citizens to Keep  
18 Pasadena Strong, yes?

19          A. Yes.

20          Q. So does he sometimes make suggestions about  
21 things that the PAC could do in the election?

22          A. Yes.

23          Q. So do you then say, "Well, I like that idea" or  
24 "I like that" or "I don't like that idea"?

25          A. Yes.

1 Q. So who raised the idea of opposing Mr. Wheeler?

2 We know Mr. Yates is not a resident of  
3 Pasadena. He doesn't live here, so he's not proposing  
4 to vote in the election.

5 So do you raise with him the idea that  
6 Leroy Stanley is being opposed by a candidate?

7 A. I don't remember talking specifically about  
8 that, but I don't know.

9 Q. Well, somehow a decision is reached?

10 A. Made, yes.

11 Q. Do you know how that decision got put in  
12 motion?

13 A. I don't really remember the details of that at  
14 all.

15 Q. Do you know if Mr. Yates worked directly with  
16 Leroy Stanley?

17 A. I don't think so.

18 Q. Okay.

19 A. But not knowing or not remembering, I don't  
20 know.

21 Q. Let's look at Exhibit 23.

22 A. Do I already have that?

23 Q. It should be in your pile, yes. It was one of  
24 the ones that I handed to you, and it has the word  
25 "G-mail" in the upper left-hand corner. So it should be

1 pretty easy to find. This is Exhibit 23.

2 A. Okay. Got it.

3 Q. Okay. Since it does have "G-mail" up in the  
4 left-hand corner, do you recognize this as a printout of  
5 an e-mail?

6 A. I don't know. I guess it's by Google, so, yes.

7 Q. The easiest way to read these things, from my  
8 perspective, is to start at the bottom and work our way  
9 up.

10 A. Okay.

11 Q. So it looks like there is a message that's  
12 forwarded from Jeff Yates, and then above that it says,  
13 "JeffreyYates@gmail.com writes, Is this ready to go?  
14 Thanks, Jeff."

15 Do you see that?

16 A. Uh-huh.

17 Q. And then, above that, do you see where it's  
18 written, quote, Can you move the used mayor's opponents'  
19 address just under Continue to Serve Statement and bold  
20 it, question mark, unquote.

21 Do you see that language there?

22 A. Uh-huh.

23 Q. And then right above that is a header, where it  
24 says to Jeff Yates, the date Saturday, April 27, 2013,  
25 from JI38@aol.com.

1 Do you see that?

2 A. Yes.

3 Q. Do you recognize this as an e-mail that you  
4 sent to Jeff Yates?

5 A. No. I'm sure I did, but I don't -- I don't  
6 really understand. "Can you use the mayor's opponents'  
7 address?" I don't really understand that myself.

8 Q. And above that, do you see language from Jeff  
9 Yates to Spencer Newman saying, Please make the  
10 following edits, unquote?

11 A. Yes.

12 Q. If you'll turn the page with me, there's a  
13 backside to this e-mail which shows a PDF attachment,  
14 anti-Wheeler.pdf.

15 Do you see that there?

16 A. Yes.

17 Q. And then following that is a document. So I'd  
18 like to draw your attention to that document. It's  
19 two-sided.

20 Do you recognize this as an election  
21 mailer?

22 A. It mentions candidates, Cody Ray Wheeler, so I  
23 suppose it is.

24 Q. Do you see, on the first page of that document,  
25 "Paid political ad, Citizens to Keep Pasadena Strong,"

1 on the side that says, "Who is the real Cody Ray  
2 Wheeler"? Do you see where it says --

3 A. Yes. Yes, I do.

4 Q. And then on the flip side, it looks like  
5 there's some language there in bold, quote, The real  
6 Cody Ray Wheeler used Mayor Isbell's opponents' address  
7 to meet the residency requirements met in District E.

8 Do you see that?

9 A. Yes.

10 Q. So using this to refresh your memory, do you  
11 think you were sending an e-mail to Jeff Yates about the  
12 language or the layout of this mailer?

13 A. I would have to speculate. I don't know for  
14 sure.

15 Q. Is that because you don't remember?

16 A. Yeah.

17 Q. Do you remember sending out this election  
18 mailer during the 2013 campaign?

19 A. No.

20 Q. You had a good memory on the Harrison mailer.

21 A. I remember that.

22 Q. Okay. Do you have any reason to doubt that  
23 this mailer about Cody Ray Wheeler went out from  
24 Citizens to Keep Pasadena Strong?

25 A. Not as I sit here, no.

1 (Exhibit No. 24 Marked)

2 Q. (BY MS. PERALES) I'm going to hand you what  
3 has been marked Deposition Exhibit 24.

4 A. Okay.

5 Q. Do you recognize this document as an e-mail to  
6 Jeff Yates to JI38@aol.com, which is your e-mail  
7 address?

8 A. That's what it purports to be.

9 Q. And do you see the language there where it  
10 says, quote, Johnny, I still need Cody Ray Wheeler's  
11 push card scanned and e-mailed to me. Thanks, Jeff,  
12 unquote.

13 A. Yes.

14 Q. Do you remember working with Jeff Yates on a  
15 Cody Ray Wheeler push card?

16 MS. SANDILL: Objection to the form.

17 MS. PERALES: I'm sorry. I missed the  
18 objection.

19 MS. SANDILL: I just objected to the form.

20 MS. PERALES: Okay.

21 Q. (BY MS. PERALES) Does this help --

22 A. I worked with him on the election. I don't  
23 remember particular e-mails like this.

24 Q. Okay. Do you remember working with Jeff Yates,  
25 generally, on Cody Ray Wheeler material?

1 A. Yes.

2 Q. And that was "Vote against Cody Ray Wheeler"?

3 A. Yes.

4 MS. PERALES: I'm not going to use that  
5 exhibit. You can keep it just to read it. I'm not  
6 going to use it because I'm trying to save time.

7 MS. SANDILL: Okay.

8 (Exhibit No. 26 Marked)

9 Q. (BY MS. PERALES) I'm handing you what's been  
10 marked Deposition Exhibit No. 26. And for now, we've  
11 skipped, at least, Exhibit No. 25.

12 A. Okay.

13 Q. On the front page of this exhibit, Exhibit 26,  
14 there is a G-mail heading from -- and it says -- well,  
15 it says, "Jeff Yates to J.J. Isbell," and then your  
16 e-mail address.

17 Do you see that area up there?

18 A. Yes, ma'am.

19 Q. Below that we see some text that says, quote,  
20 Pieces with Johnny's edits: One, trash can; two, Johnny  
21 and Leroy joint endorsement; three, the real Cody Ray.  
22 Please let me know if these are okay. Thanks, Jeff,  
23 closed quote.

24 And then, behind that, you will see a  
25 document that looks like an election mailer.

1 approved by the Justice Department, and under Section 5,  
2 also, I thought there was more of an opportunity. Maybe  
3 we ought to try it.

4 Q. But then your Section 5 obligation goes away  
5 completely after the Shelby decision, right?

6 A. It did.

7 Q. And so did that play a role in your decision --

8 A. Very small. Very minimal, if at all. Because  
9 there at the last -- I believe that we could have  
10 probably got our at-large seats approved through the  
11 Justice Department with Section 5.

12 Q. So would you say that the Shelby County  
13 decision had nothing to do with your decision to propose  
14 a mixed system?

15 A. I won't say "no," but I say nothing, but it  
16 certainly wasn't a big factor at all because I believe  
17 they probably could have got it through with the Section  
18 5 being in there.

19 (Exhibit No. 25 Marked)

20 Q. (BY MS. PERALES) I'm going to hand you what  
21 has been marked Deposition Exhibit No. 25.

22 Do you recognize this document as a memo  
23 from you to the council dated June 27, 2013, with the  
24 subject line "Possible bond election"?

25 A. Let me read it.

1 Q. Okay.

2 A. Okay.

3 Q. Do you recognize this as the memo from you to  
4 the council on this day?

5 A. Somewhat.

6 Q. I know you might not remember all the details,  
7 but does it seem to you like a memo that came from your  
8 office to the council?

9 A. Possibly.

10 Q. Does it have your initials on it?

11 A. Yes, it does.

12 Q. In this memo, in the fourth paragraph, is it  
13 fair to say that you asked each council member to submit  
14 two names for people to serve on the bond committee.  
15 And from that, you would pick one name from each council  
16 member.

17 A. On the fourth paragraph?

18 Q. No. Third. It's the third paragraph that  
19 starts with this memo.

20 A. Okay.

21 Q. Is it fair to say that you asked each member of  
22 the council to give you two names, and from that list,  
23 you would pick one name from each council member?

24 A. Yes.

25 Q. Did you also, in addition to that group of

1 MS. PERALES: Go ahead, Ernest, and hit  
2 "play."

3 (Tape being played.)

4 "SPEAKER: "Pasadena's mayor explains that  
5 the ruling created the opportunity to change to the  
6 at-large system that will be voted on this week. Why,  
7 now, did you decide?"

8 "THE WITNESS: "Because the Justice  
9 Department can longer tell us what to do. Obviously you  
10 can't discriminate. You have to have the district still  
11 within ten percent of the population. Which you have to  
12 comply with that and we should."

13 (Tape done being played.)

14 Q. (BY MS. PERALES) Mr. Mayor, do you recognize  
15 your voice in that piece that we just played for you?

16 A. Sounds awfully familiar.

17 Q. All right. And we'll mark the next exhibit --  
18 we will mark it No. 29.

19 (Exhibit No. 29 Marked)

20 Q. (BY MS. PERALES) You're looking, now, at what  
21 has been marked Deposition Exhibit No. 29, and we'll put  
22 this in with the flash drive of the video, but it  
23 includes the quoted language that -- that we have.

24 It states, "Because the Justice Department  
25 can no longer tell us what to do. Obviously we can't

1 discriminate. You have to have the district still  
2 within ten percent of the population. Which you have to  
3 comply with that and we should."

4 Those are your words, correct?

5 A. That was my belief at the time, yes, ma'am.

6 Q. And you said that?

7 A. Yeah. Obviously.

8 Q. And tell me what you remember about this  
9 interview.

10 A. I don't even remember the interview.

11 Q. Really?

12 A. No.

13 Q. Do you remember whether it was in person or  
14 over the phone?

15 A. No. I don't --

16 Q. Okay. I'm going to ask you a few more  
17 questions about the committee, but I wanted to -- while  
18 the video is still fresh in your mind, I wanted to call  
19 your attention to a moment in the video where they show,  
20 in the background, a map of the districts and the city  
21 of Pasadena when talking about the new 6/2 proposal.

22 (Exhibit No. 31 Marked)

23 Q. (BY MS. PERALES) I'm handing you what has been  
24 marked Deposition Exhibit No. 31. And I'll represent to  
25 you that this is a screenshot from the video that we

1 A. I don't recall.

2 Q. Although you weren't with the committee members  
3 when they decided on what recommendations to make about  
4 the charter, did you get information otherwise? Did  
5 somebody talk to you about what went on in the committee  
6 to give you an understanding of how the Committee came  
7 to its decision?

8 A. I don't -- I don't remember. I mean, I don't  
9 know.

10 Q. Did you know that the Committee was considering  
11 a change in the election system to 6/2?

12 A. Well, I had requested that they do. Seriously  
13 consider that.

14 Q. So would it be fair to say that you don't have  
15 any information about how that discussion went in the  
16 committee?

17 A. No. No. I wasn't there.

18 (Exhibit No. 33 Marked)

19 Q. (BY MS. PERALES) I'm going to hand you what  
20 has been marked Deposition Exhibit No. 33.

21 Do you recognize this document as a memo  
22 from you to the members of the City Council on  
23 August 15, 2013?

24 A. I need time to read this first.

25 Well, I have somewhat scanned it.

1 Q. Okay. I'm going to ask you about a few  
2 statements in this document.

3 A. Okay.

4 Q. First of all, at the end of the first  
5 paragraph -- well, first of all, let me ask you this:

6 Do you remember this as your memo to the  
7 City Council on August 15, 2013?

8 A. Not in detail, no, but obviously it is.

9 Q. At the very end of the first paragraph, where  
10 you're talking about the Committee, you state that they  
11 did -- well, let me just read you the last paragraph  
12 there.

13 "Circumstances required that they do  
14 research and consider recommendations" --

15 A. I'm sorry. Which paragraph?

16 Q. The first paragraph at the top of the page,  
17 last sentence, which starts with the word  
18 "circumstances."

19 A. Okay.

20 Q. "Circumstances required that they do research  
21 and consider recommendations, which they did with  
22 thoughtful deliberation and due diligence."

23 Do you see that there?

24 A. Yes.

25 Q. And do you believe that they were thoughtful

1 that you could redraw the lines to six single-member  
2 districts?

3 A. I don't remember that. I mean, I don't -- I  
4 don't know.

5 Q. Is that what the memo suggests; is that  
6 sometime in February you were --

7 A. February 26th, yeah.

8 Q. Okay. If you look at the last paragraph, does  
9 it say that the law firm has completed three maps, and  
10 that you propose a council workshop to discuss it?

11 A. Yes. That's what it says.

12 Q. I'm handing you what has been marked Deposition  
13 Exhibit No. 50.

14 (Exhibit No. 50 Marked)

15 Q. (BY MS. PERALES) Go ahead and take a look at  
16 that.

17 A. Okay.

18 Q. Now, I'm going to pair this up with the next  
19 exhibit before I ask you about it.

20 (Exhibit No. 51 Marked)

21 Q. (BY MS. PERALES) I'm going to hand you what  
22 has been marked Deposition Exhibit No. 51, and ask you  
23 to tell me if you recognize that as an ordinance that  
24 was passed by the City Council related to redistricting?

25 A. Yes.

1 Q. And the reason that I wanted to show it to you  
2 is -- look with me, if you would, on Bates Page No.  
3 Pasadena 197.

4 A. For the record, you don't hate the way he did  
5 it?

6 Q. Yes. I do hate the way he did it.

7 MR. HERRERA: I might have been at that  
8 council meeting, in which case I should have fixed it.

9 MS. PERALES: Not you. It's Bob's fault.  
10 Let's be clear.

11 Q. (BY MS. PERALES) On Pasadena 197, you see the  
12 language of the ordinance, you get the "whereas is" up  
13 at the top, and then in Paragraph B, is it correct to  
14 say that the City adopts a new districting plan? And  
15 the map is attached as Exhibit A and the tables are  
16 attached as Exhibit B.

17 A. I suppose.

18 Q. And this ordinance passed, because we can tell  
19 from the top sheet that it was passed on final reading  
20 on April 14, 2014; is that right?

21 A. Yes.

22 Q. Now, if you flip forward to the exhibits on  
23 this ordinance and you get to the map.

24 A. Okay.

25 Q. Do you see in the little -- the box labeling

**FROM: Mayor Isbell** 

**SUBJECT: Possible Bond Election**

On September 14, 2002, the voters of Pasadena approved the issuance of \$102,000,000 in General Obligation Bonds to pay for capital improvements throughout the City. Eleven years later, Pasadena has approximately \$5.7 million of this issue left. Of that almost \$3 million is already allocated to pending street projects. Another almost \$1.5 million is available for park projects, but City Council has already authorized the design of a water feature in Strawberry Park which is estimated to cost more than twice that amount. Thus, the City has virtually no bond funds left for capital improvements. It is time that the City again go to the voters and ask their support for the issuance of bonds to aid in the ongoing development and re-development of the City's infrastructure.

I am proposing that we appoint a committee of citizens to meet with City staff and review proposed capital expenditures for streets, drainage, police, fire, parks and City facilities for the next several years. The committee would send a report back to me for recommendation to City Council for the improvements needed along with cost estimates. The City Council would then evaluate and adjust that report and call a bond election.

With this memo, I am requesting that each Council Member submit to me two names of persons whom could serve on the committee. I will then select one name from each Council Member to serve on the Bond committee. This committee would immediately begin the work of gathering information from City staff. Please submit names of residents who will have time to serve on the committee.

State law limits election dates to twice each year. There is an election day in May and one in November. Consultation with Harris County has revealed that we cannot have an election in May of 2014 because all equipment will be used for primary elections. It would be possible to have the election in November of 2014, but our ballot would be in conjunction with a long general election ballot and might not receive the attention it deserves. May 2015 is the date of the next City Council election. Therefore, I am proposing the bond election be held in November of this year, 2013. This will require a lot of work in a short period of time, but we can do it. Please send me the names of your committee nominees as quickly as possible.

# EXHIBIT 5

TO THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

CITY OF PASADENA

CITY HALL

PASADENA, TEXAS

This letter constitutes the final recommendation of the Bond/Charter Review Committee appointed by you approximately two weeks ago to examine the possibility of conducting an election this November to permit the people of Pasadena to vote on (1) an authorization for the sale of general obligation bonds for infrastructure improvements and (2) amendments to the City Charter. We were charged with making a recommendation to you no later than August 1 in order that you would be able to call an election prior to an August 26 deadline established by the Harris County Department of Elections.

The committee has met four times over the last two weeks. We heard presentations from City staff regarding infrastructure needs and we discussed, at some length, several possible changes to the Charter. After careful deliberation, the committee makes the following recommendations:

**PROPOSED BOND ELECTION**

Attached hereto are written summaries of oral presentations made by City staff regarding the City's infrastructure needs. Based upon the presentations of the staff and individual research by several committee members, the committee recommends that you call a bond election for November 5 of this year and offer the citizens of Pasadena an opportunity to vote on the following propositions.

PROPOSITION ONE – POLICE DEPARTMENT IMPROVEMENTS	\$14,750,000
PROPOSITION TWO – FIRE PROTECTION IMPROVEMENTS	\$13,750,000
PROPOSITION THREE – STREETS/DRAINAGE IMPROVEMENTS	\$63,000,000
PROPOSITION FOUR – PARKS/RECREATION IMPROVEMENTS	\$14,500,000
TOTAL PROPOSED AUTHORIZATION	\$106,000,000

The committee understands that the election will be to authorize the City Council to issue general obligation bonds for use in the various categories noted and that the City Council will ultimately determine the specific projects to be constructed. The information contained in the summaries are staff recommendations and are intended to serve only as a guide to the voters when they consider the propositions.

**PROPOSED CHARTER AMMENDMENTS**

The City Charter was initially adopted in 1964 and has since been amended twice. It is our understanding that there are a number of sections of the Charter which are out of date or in conflict with state law. These sections should be corrected. However, because of the time constraints facing the committee and the City Council in anticipation of a November election, the committee considered a number of suggested changes and after lengthy discussion, recommends the following changes.

Article II, section 2 be amended to require prospective City Council candidates be required to document their residency

Article II, section 7 be amended to change the number of Council meetings from weekly to the first and third Tuesdays of each month, with the first meeting to be at 7:30 PM and the second meeting to be at 10 AM and that special meetings may be called by the Mayor as necessary.

Article III, section 2 be changed to permit the election of a Mayor Pro Tem at any time there is a vacancy in the office.

Article IV, section 6 be amended by increasing the filing fee for candidates seeking the Office of Mayor to \$1,000 and the filing fee for candidates seeking the Office of City Councilmember to \$500. This section also provides for nominating petitions. The committee recommends that the numbers of signatures required for such petitions be 100 for a Councilmember and 500 for Mayor.

After careful consideration of these issues, the sense of the committee is that more time and research should be devoted to any changes in the City Charter and that to conduct an election addressing both the issuance of bonds and changes to the Charter would not be in the best interests of the people of Pasadena. The committee believes that the City has many needs for improved infrastructure and that the City Council should focus on these needs at this time. Changes to the Charter could be and should be addressed at another time.

The members of committee thank the Mayor and City Council for allowing us the opportunity to be of service to our City and we look forward to the opportunity to assist you in explaining the need for bonding authority to the voters of Pasadena.

*Ray D. St. Jean*  
Chairman

**FROM: Johnny Isbell**

**SUBJECT: Recommendations of the Bond/Charter Review Committee**

---

I want to express my appreciation to the members of the Bond/Charter Review Committee for the time and work they devoted to the needs of the residents of Pasadena. Circumstances required that they do research and consider recommendations, which they did with thoughtful deliberation and due diligence.

The Committee, after careful consideration, recommended to the City Council that we submit four propositions to the voters for authorization to sell bonds in the amount of \$106 million to address the needs of the Police and Fire Departments, the Parks and Recreation Department and streets, drainage and sidewalks over the next several years. After careful study and consideration, their recommendation for four propositions would have provided a sound basis for meeting the City's infrastructure needs over the next several years.

The Committee also recommended some changes to the City Charter, but suggested that these changes be deferred in order to not detract from the proposed bond election. They recognized that the economy is still recovering from a severe recession and that our residents are still cautious with their personal spending. They recognized that, historically, bond issues are difficult to pass and that anything that detracts from a unified positive message about the need for the bonding authority, would send a mixed message to voters and, perhaps, result in the defeat of that requested authority.

Heeding the concerns of the Committee, I submitted an ordinance to the City Council calling for a bond election on November 5 of this year for the approved amounts and excluding any proposed Charter changes. The City Council discussed the proposed bond amounts at some length. Three Council Members voted against the bond proposal suggesting that either the City did not need the bond money or that the proposals were too large or that the City should avoid incurring any additional debt because debt is not a valid financial tool. It was also said that the City could use up its "rainy day" fund, the money set aside to respond to hurricanes and other disasters.

As a result of opposition to the bond proposal by three Members of Council, I have elected to withdraw the proposed ordinance. I have participated in bond elections in the past and I concur with the Committee's implication that they are not easy to pass. The City's needs must be fully and positively explained to the voters. If the governing body is split on the issue, then voters become concerned about the real need for the projects proposed. Residents simply don't know about all of the needs of the City outside of their own neighborhoods. They rely upon their elected representatives to know the City's needs. If the representatives don't present a united plan, then voters are concerned and many may be unwilling to commit

Page 1 of 2

PASADENA000001

the tax dollars necessary to improve neighborhoods they know nothing about. How could we persuade a voter who lives in Village Grove to support spending millions of dollars in the Gardens or Deepwater areas if the representatives of those neighborhoods oppose such expenditures. I find the task of convincing voters, under such circumstances, to be daunting. Thus, I am withdrawing the proposal for a bond election at this time.

However, in view of the Committee's hard work, I am proposing an election to amend the Charter. The Committee proposed four changes to the Charter and I am adding a proposed fifth change which deals with redistricting. These proposed changes do not require unanimity on the part of City Council. Charter changes can be openly and honestly debated. There is room for disagreement in how the City is governed and changes to the Charter can be supported or opposed on their merit, not on politically inspired arguments regarding how much money the City has or whether debt is good or bad, needed or not needed. In my view and that of the Committee some change to the Charter is needed and this year is a good time to address those changes. While the Committee did not address redistricting because of time constraints, I have included a proposal which is fair, will not adversely affect sitting Council Members and will provide more representation to more residents while retaining a nine member City Council. I encourage the City Council to approve the ordinance calling for an election to amend the City Charter on November 5. City Council members need not support the proposed changes, but they should support an election which will let the people decide how they wish to be represented and governed.

Again, I express my deep gratitude to the members of our Bond/Charter Review Committee who committed much time and effort on behalf of their neighbors in the City of Pasadena.
